## Pi - Day Event - March 14, 2024

BY MINA TEICHER & MATT DENESUK

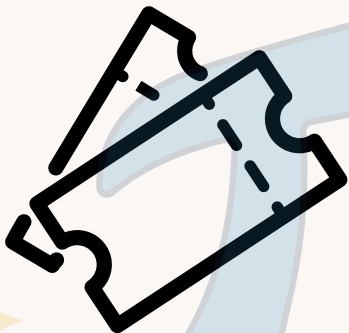

**ALL MATH STUDENTS, FEMALES AND MALES, UNDERGRADUATE AND GRADUATE, MAJOR AND MINOR, ARE INVITED TO A PARTY ON MARCH 14TH, THE INTERNATIONAL DAY OF MATHEMATICS, IN THE AMAZING HOME OF PREETI AND MATT, INDOOR AND BY THE POOL.**

**THIS IS A GREAT ALTERNATIVE FOR AN OUT-OF-TOWN SPRING BREAK!**

**MARCH 14 IS THE DAY THE WORLD CELEBRATES OUR FAVORITE IRRATIONAL NUMBER, PI, (AS THE DATE IS WRITTEN 3.14, THE FIRST DIGITS OF PI ...). IT IS CELEBRATED BY MATHEMATICIANS, SCIENTISTS, AND ENTHUSIASTS AROUND THE WORLD. IT WAS OFFICIALLY RECOGNIZED BY THE U.S. HOUSE OF REPRESENTATIVES IN 2009, AND IT JUST HAPPENS TO BE ALBERT EINSTEIN'S BIRTHDAY....**

Matt Denesuk is the head of Data Analytics & AI at Royal Caribbean, the world's premier cruise company, and he works to apply math (and data) to nearly everything the company does. He is a great fan of math history.

There will be a raffle for pi-related paraphernalia and other gifts based on statistical distributions. We'll also provide plenty of pi-related temporary tattoos, to decorate yourself with pi-based imagery as you see fit.

The celebration is from 5:30-7:30 PM. The address will be provided once you RSVP in the affirmative. There will also be a bus that will go from the back of Ungar Building to the party at 5pm.

**IT'S A PLUS ONE INVITATION, YOU MAY ADD 1 GUEST IN YOUR WUFOO LINK. WE HOPE TO SEE YOU ON THURSDAY, MARCH 14!**
